

# Hello, It's a Wonderful Day

Hello, it's a wonderful day.  
Everything is A-OK!  
It's a wonderful day.  
Especially when you are there.

I see you walk in through the door  
And give a hug to you that says,  
"I love you."  
It doesn't matter rain or shine  
When you are here it makes me want to  
Jump for joy.

Hello, it's a wonderful day.  
Everything is A-OK!  
It's a wonderful day.  
Especially when you are there.
