

Good Morning To You

Good morning to you. It's such a wonderful day.
Good morning to you. There's so much to do and to say.
Good morning to you. Good morning to you.
Good morning to you and to you.
Good morning to all of my friends.

Good morning to you. It's such a wonderful day.
Good morning to you. It's time to laugh, sing and play.
Say good morning to a friend. Say good morning once again.
Hope this morning never ends.
Good morning to all of my friends.....

Who will hug me even when I'm feeling low.
Friends who will love me and always tell me so.
Friends here together the way it ought to be.
Friends who will never, never ever forget me.

Good morning to you. It's such a wonderful day.
Good morning to you. There's so much to do and to say.
Good morning to you. Good morning good morning to you.
Good morning to you. Good morning good morning to you.....
