

Introduce Yourself

I would really like to meet you.
I think we could be friends.
When you let me know what your name is.
That's how a friendship begins.
I want to know who you are,
So introduce yourself.

Introduce yourself
Introduce yourself
Introduce yourself
Introduce yourself
Cause I want to know who you are so
Introduce yourself.

It's so very nice to meet you.
I think we could be friends.
When you let me know what your name is,
I like the feeling it sends.
I want to know who you are,
So introduce yourself.....
