

It's Almost Clean-up Time

Do you know what time it is,
What time it is, what time it is?
Do you know what time it is?
It's almost clean-up time.

So finish what you are doing.
Finish what you are doing.
Finish what you are doing.
It's almost clean-up time.

Do you know what time it is,
What time it is, what time it is?
Do you know what time it is?
It's almost clean-up time.
