

# Caribbean Clean-up Song

We clean up our islands every day to the Caribbean clean-up song.  
So pick up the toys and put them away to the Caribbean clean-up song.  
We dance as we pick up all of the strays to the Caribbean clean-up song.

Look at the girls clean up!  
Look at the boys clean up!  
Look at the boys clean up!  
Look at the girls clean up!

We clean up the class room every day to the Caribbean clean-up song.  
So pick up the toys and put them away to the Caribbean clean-up song.  
Let's dance as we pick up all of the strays to the Caribbean clean-up song.
