

# Months of the Year

I love, I love learning the months of the year.  
Yeah, the months of the year.  
I love, I love learning the months of the year.  
Learning all the months of the year.

JANUARY-Is so fine.  
FEBRUARY-Valentines  
MARCH-March around it's almost spring.  
APRIL-Makes me dance and sing.

Yeah, yeah, it's all very clear.  
I love, I love, I love learning the months of the year.  
Every day, every day learning months of the year.

MAY-May I go out to play?  
JUNE-Another sunny day!  
JULY-It's vacation time!  
AUGUST-Hear the school bells chime?

Yeah, yeah, it's all very clear.  
I love, I love, I love learning the months of the year.  
Every day, every day learning months of the year.

SEPTEMBER-Autumns coming around.  
OCTOBER-Leaves are falling down.  
NOVEMBER-Turkey time is near!  
DECEMBER-Holidays are here!

Yeah, yeah, it's all very clear.  
I love, I love, I love learning the months of the year.  
Every day, every day learning months of the year.

I love, I love learning the months of the year.  
Yeah, the months of the year.  
I love, I love learning the months of the year.  
Learning all the months of the year.
