

# If I Were a Dog

© 2003 Jim Cosgrove Publishing

If I were a dog, I'd bark all day, I'd bark along in a barky way  
I'd bark right up and I'd curl in your lap and I'd sleep there all night long

If I were a cat, I'd purr all day, I'd purr along in a purry way  
I'd purr right up and I'd curl in your lap and I'd sleep there all night long

If I were a snake, I'd slither all day, I'd slither along in a slithery way  
I'd slither right up and I'd curl in your lap and I'd sleep there all night long

If I were a skunk, I'd stink all day, I'd purr along in a stinky way  
I'd stink right up and I'd curl in your lap and I'd sleep there all night long

If I were a cow, I'd moo all day, I'd moo along in a mooy way  
I'd moo right up and I'd curl in your lap and I'd sleep there all night long

If I were a whale, I'd swim all day, I'd swim along in a swimmy way  
I'd swim right up and I'd curl in your lap and I'd sleep there all night long

If I were a baby, I'd goo goo all day, I'd goo goo along in a goo gooey way  
I'd goo goo right up and I'd curl in your lap and I'd sleep there all night long
