OUR NEW DOG SEEMS RATHER STRANGE.
THE THINGS HE EATS HAVE QUITE A RANGE.
OUR DOG SEEMS RATHER STRANGE -

HE EATS HIS WAY THROUGH ALL THE WEEK
AND OF THAT NOW I SPEAK

ON MONDAY HE EATS TENNIS BALLS,
ON TUESDAY IT'S A CHAIR.
WEDNESDAY, HE MAKES SPIT-BALLS OUT OF
CARPET AND SOME HAIR

THURSDAY IS FOR CHEWING ON THE
PILLOWS BY THE DOOR
FRIDAY SEEMS TO BE THE TIME TO
GNAW UPON THE FLOOR.

ON SATURDAY HE DIGS ALL DAY
WITHOUT A SINGLE MOAN.
ON SUNDAY HE JUST SITS AND DREAMS
ABOUT OUR TASTY HOME.

WE LOVE OUR DOGGY DEARLY
BUT HIS STOMACH MAKES US FEAR...
OUR HOME WILL BE DEVOURED BY THE
END OF ONE MORE YEAR!
