

One World, One Family

Music by John and Nancy Bryan

Lyrics by Nancy Bryan with Cady Stanton Elementary Grade 3, Chorus

We need each other like we need the sunshine
Happy or sad, we're sharing our lives
Even if we argue the love is still there
Families show how much they care

Chorus

Mother, Father, Brother, Sister too
Wherever you go
I'll be there for you
America, China, Russia, Italy
All in one world, one family

On my birthday mama bakes me a cake
In the summer we swim in Cayuga Lake
When you leave home, if you go far away
Stay in touch but you will miss them every day

Chorus

Walking through the world alone
But I know I'm almost home
We're all connected in a special way
Remembered in our hearts every day

Chorus

Mother, Father, Brother, Sister too
Wherever you go
I'll be there for you
America, China, Russia, Italy
All in one world, one family
