

Try a Little Kindness

Music by John and Nancy Bryan

Lyrics by Nancy Bryan with Kingsford Park Elementary/ Grades 3-6, Chorus

Try a little kindness
To bring back the brightness
The things that you do
Will come back to you

If someone should fall down the stairs
You can help them up
If a new student comes
Be sure and welcome them
Listen to others
And what they have to say
Don't break people's spirits
Kind words the only way
If someone is bullied stand up for him
Share your lunch, sit together in the sun

Chorus
Try a little kindness
To bring back the brightness
The things that you do
Will come back to you
Make the world better
We can do it together
Follow the Golden Rule
Your life will shine like a jewel

Don't judge others
By the color of their skin
Always have empathy
Try to be their friend
If you're feeling sad
I will make you smile
You can call me on the phone
I'll walk the extra mile
Alone on the playground
I'll take your hand
I know how you feel, I understand

Chorus

Share the friendship
That you love, care for everyone
Give joy to all
Let your words be filled with love

Chorus
