

Friends

Pam "The Kindersinger" Minor

Will you be my friend, echo
I'd like to be your friend, echo
Through thick and thin, blood brothers to the end
Will you be my friend, echo

I will share with you, echo
Tell all my troubles too, echo
We'll laugh a lot, travel to Camelot
Climb a tree or two, echo

You will see that I will be
Right there by your side
To mend you, defend you
Won't you please decide

Will you be my friend, echo
I'd like to be your friend, echo
Through thick and thin, blood brothers to the end
Will you be my friend, echo

Will you be my friend, echo
My forever friend, echo
We'll be best of friends
