

Walk in My Shoes

Pam "The Kindersinger" Minor

Chorus:

You gotta walk walk walk in my shoes
You gotta walk walk walk in my shoes
You gotta think like me know me gotta live like I do
Walk walk walk in my shoes

V1:

Just 'cause you think I act really weird
It doesn't make it right for you to stand there and jeer
Why don't you ask how I'm doing today
You never know what's happened to make me feel this way

Chorus

V2:

The new boy at school just moved from out west
He wears funny shirts cowboy boots and a vest
So what if he is different each one of us is too
So now it's time to step up I'll give you a clue

Chorus

V3:

Some folks need wheelchairs to get around
Some have trouble speaking hearing seeing they're bound
To need a friend to walk up look them right in the eye
And treat them just the same as any other guy

Chorus

Repeat

Walk walk walk in my shoes
