

The Bully

Pam "The Kindersinger" Minor

Chorus:

He's a bully uh uh uh uh uh

He's a bully na na na na na

I see what's goin' down throwin' his weight around

He's a bully

V1:

I see him shovin' my friends in the hall

Flickin' hats off and havin' a ball

He calls them cry baby and laughs out loud

Then trips another picks them out of the crowd

Chorus

V2:

I hear her call me a very bad name

I ignore her and her nasty game

Sticks and stones may break bones so they say

But words can never hurt me there's no way

Chorus

V3:

That big kid elbowed my tray at lunch

Said I couldn't sit he'd give me a punch

I told him stop it but he wouldn't quit-so

I told a teacher and she took care of it

Chorus

You see what's goin' down throwin' their weight around

They are bullies
