

The Grump

Pam "The Kindersinger" Minor

Chorus

With a shake shake shake and a thump thump thump
Who's that calling me a grump
With a clap clap clap and a bump bump bump
I am not no I'm not a grump

V1

Just because I didn't get my way I'm in a rotten mood all day
See my mouth it is turned down always making a big frown

Chorus

V2

My friend Bobby let it slip you could sit on my lower lip
I can mope and growl with the best come on put me to the test

Chorus

V3

Now I've figured it all out no one likes it when I pout
It may have taken me a while but now I wear a big bright smile

Chorus

End:

Who's that calling me a grump
I'm never ever gonna be a grump
