

Porcupine Polly

Pam "The Kindersinger" Minor

V1:

Porcupine Polly has a perfectly prickly yes a perfectly prickly personality
You say let's go to the fair so she says "not there!"
Just to be contrary she will disagree
Porcupine Polly yes Porcupine Polly has a perfectly prickly personality

V2:

Porcupine Polly has a perfectly prickly yes a perfectly prickly personality
My friends all go out then she goes off in a pout and I
Spend my time soothing prickly Polly
Porcupine Polly yes Porcupine Polly has a perfectly prickly personality

V3:

Porcupine Polly has a perfectly prickly yes a perfectly prickly personality
You try to get along but with her things go wrong
Everyone runs and hides from Polly
Porcupine Polly yes Porcupine Polly has a perfectly prickly personality

So learn from Polly it never pays to be rude
She's got to work and change her attitude
