

Best Foot Forward

Pam "The Kindersinger" Minor

Chorus:

Who (clap clap) knows to put their best foot forward
You (clap clap) might ask what do you mean
Do (clap clap) dig out that positive attitude
To (clap clap) succeed in anything

V1:

So give a smile jump off the fence and walk with confidence
Give it your best hey don't worry 'bout the rest
Just give a smile jump off the fence and talk with confidence
Put your best foot forward with a smile

Chorus

V2:

Add to that attitude by eating healthy food
A good night's sleep will guarantee you're on your feet
Come on add to that attitude by eating healthy food
Put your best foot forward with a smile
