# **Do One Little Thing**

Pam "The Kindersinger" Minor

## V1:

Do one little thing each and every day To make this world a better place And I have to say when I

# V2:

Do one little thing I feel so good inside I have to do my happy dance And then I grin real wide

#### V3:

Do one little thing each and every day And this world will be a better place So spread the word okay let's

### V4:

Do one little thing each and every one And these little things become real big And shine bright as the sun

Yes these little things....become so huge They shine bright as the sun Do one little thing...just one little thing

Every day
