

# GOING ON A TRIP

---

CHORUS: We're going on a trip, going on a trip, going on a trip

(I can't wait, I can't wait)

We're ridin' in the car, ridin' in the car, ridin' in the car

(I can't wait, I can't wait)

We're playing games and singing songs all day

Going on a trip, going on a trip, going on a trip.

Verse 1: We'll see trees and we'll see cows

We'll see farms and we'll see plows/towns

We'll see mountains and maybe snow (Glacier 4:01)

I just can't wait! Come on, come on let's go!

We're going on a trip, going on a trip, going on a trip

(I can't wait, I can't wait)

We're ridin' in the car, ridin' in the car, ridin' in the car

(I can't wait, I can't wait)

We're playing games and singing songs all day

Going on a trip, going on a trip, going on a trip.

Verse 2: We'll see windmills (Oklahoma :27) and clouds up high

We'll see bridges (Seattle 7:33) and sunset skies (Seattle 2:41 and 10:31)

We'll see flowers and lakes with logs (Yellowstone 3:49)

We'll see buffalo, deer, squirrels and even frogs

We're going on a trip, going on a trip, going on a trip

(I can't wait, I can't wait)

We're ridin' in the car, ridin' in the car, ridin' in the car

(I can't wait, I can't wait)

We're playing games and singing songs all day

Going on a trip, going on a trip, going on a trip.

Bridge: Pack your bags, pack your snacks

Pack your pillows and your back packs

Time to go hip hip hooray!

So much fun today!

We're going on a trip, going on a trip, going on a trip

(I can't wait, I can't wait)

We're ridin' in the car, ridin' in the car, ridin' in the car

(I can't wait, I can't wait) We're playing games and singing songs all day

Going on a trip, going on a trip, going on a trip.
