

WHA'D'YA WANNA DO?!

Cho: Wha'd'ya want, wha'd'ya want, wha'd'ya wanna do?	A-E-A-D
Try t'think of something, and I will too! (Repeat)	A-E
Wha'd'ya want, wha'd'ya want, wha'd'ya wanna do?	A-E-A-D
Try t'think of something, and I will too!	A-E-E7-A

Let's make a fort, with cushions from the couch!
You hide inside and act like a grouch
I'll hide outside and act like a giraffe
And crash my head into the fort to make you laugh!
Chorus

Let's bake a cake! Invent a special treat!
Apples and chocolate, something good to eat!
Mashed potatoes, lemon yoghurt, pickles, liverwurst,
Cheerios, tomato sauce, you have to try it first! Hah!
Chorus

Let's find the cat, and then we'll find some tape!
I'll close the doors so she can't escape!
Paints and scissors and some old cardboard
When Mom and Dad get home they'll find a tiny dinosaur!
(Spoken: Meeeooww!! Well, there goes another good idea out the window!)
Chorus

Let's take a bath! Pretend we're on a boat!
Here comes a big storm, we'll never stay afloat!
Splash out the water, our lives are at stake, . .
Now we're empty, but the bathroom is a lake!
Chorus
