

GNARLY DUDE

**In my classroom, when the teacher asks a question we're supposed to
Know the answer to it.
If I know, then what I do is, raise my hand and hope she picks me
Out so I can do it!
But she never picks me out when I have got my hand up, she calls
Someone else who doesn't. When
Ever I was ready with the answer, she would always pick some
Other dude who wasn't!**

**When I know the answer to the question, I will never, ever,
Ever put my hand up.
I won't even look at her, and she'll think I don't know and so she'll
Call on me to stand up!
Then I'll confidently give the perfect answer, she'll be so sur-
Prised, and she'll say "Dear me!"
I will prove that I'm the brightest Dude she's had the privilege to
Teach! The kids'll cheer me! But wait!
What if she asks something I don't know, like "Why's the ocean blue?" or
"Who's the Mayor of Paris?"
I haven't got the slightest clue! If she asked one of those, I wouldn't
Know, I'd be embarrassed!
Chorus**

When I do not know, the answer, I will raise my hand up
High and I will smile!
She will never call me, she'll pick someone else who hasn't raised their
Hand in quite a while!
Here's the question! Uh-oh! I don't know! I better raise my hand 'cause
I don't know the answer! WHO ME? Well, you see,
I've got to use the bathroom now, may I please go before I acci-
Dently wet my pants here! So you
See that gnarly dudes like me can learn some things in school that we do
Not expect to, ... though
Y'know you've got your teacher figured out, y'better get some good ex-
'Cuses to protect you! Though you
Know you've got your teacher figured out, y'better get some good ex
'Cuses to protect you!
