On my way from the sugar can

I got a little dent in me, uh-huh!		
But I can taste just as good, uh-huh,		
As a regular gumdrop can!		
I'm a little chocolate bar, I am!		
I was made by the chocolate man		
On my way from the chocolate stand		
I got a little bend in me!		
Cho: I got a little bend in me, uh-huh!		
I got a little bend in me, uh-huh!		
But I can taste just as good, uh-huh,		
As a regular chocolate bar can!		
I'm a little Tootsie Roll, you see?		
The Tootsie lady, she made me		
On my way from Tootsie land,		
I got a little twist in me		
Cho: I got a little twist in me, uh-huh!		
I got a little twist in me, uh-huh!		
But I can taste just as good, uh-huh,		
As a regular Tootsie Roll can!		
I'm a little cookie, yes I am!		
I was made by the cookie man		
On my way from the cookie pan		
A little piece broke offa me!
