

JUICE

**Cho: Juice, juice, please pass the juice
Pass that juice along!
Juice, I've found, makes the world go 'round
When we got it we pass it on!**

**I love juice that comes from fruit
Cause it tastes sweet and fine
I can drink until my tummy's full, but that's
Not what I got in mind, when I say**

Chorus

**Now they got "juice" in a battery
Called e-lec-tri-city!
It cooks the food and runs TV, but that's
Not the juice I mean, when I say**

Chorus

**When you sit down, just t'be with me
That's the "juice" I'm speaking of
When you take time t'be a friend of mine
You just fill me up with love! We all need that**
