

NO EXCUSE T'USE BOOZE!

E to D

Cho: There's no excuse t'use booze
All you get is confused
Booze makes problems for you, so
There's no excuse t'use booze!
Chorus

D-A-D

Booze is bad for kids
Now we all know that's true
But some folks don't admit
That it's bad for the grown-ups too!

Chorus

One of my good friends
Offered me some beer
But I got "common sense"
So I whispered in his ear

Chorus

M'friend said "You're no fun!"
"When there's booze around, I grab it!"
He got drunk, and he got sick,
If that's fun, well, he can have it!

Chorus

Instrumental - double Chorus

Now some kids drink at parties
'Cause they're feelin' bad inside
And sometimes gettin' loaded
Seems like a way to hide.
Yeah, sometimes life's a drag
An' it's tough t'be a kid
But you'll make it fine without drugs an' booze
Lots of other people did!

Chorus
