

## GO TO SLEEP YOU LITTLE CREEP

Go to sleep you little creep  
It's time to get undressed  
You're so cute when you're asleep  
It's when I love you best

Brush your teeth and wash your face  
And don't forget to go!  
Then kiss and hug and pick a story  
We can read it nice and slowly,  
    Climb in bed and rest your head  
    Down where it belongs  
    No more drinks, an' no more stories  
    This is your last song  
Don't you see my angry face?  
My ears are getting red  
So cut your fussing, go to sleep!  
Now get your butt in bed!

Tomorrow there's new things to break  
Then you can turn life upside down  
Y'still got one good knee to scrape!  
Now get in bed! Don't make me frown!  
    Grandma says when I was little  
    I would use ev'ry excuse to  
    Stay up late, she thinks it's funny  
    'Cause my kid acts like I used to.  
Close your eyes, (and your mouth too)  
Not one more peep, my little friend!  
Go to sleep you little creep!  
I can't wait for this day to end!!

When you sleep, you'll have sweet dreams  
And peace the whole night through  
But if you get up one more time,  
If you get up one more time,  
I'll stick you to your sheets with glue,  
And get a cow to sit on your head to keep you in bed, D  
And you'll get no more television for the rest of your life! D

So go to sleep you little creep  
Us big folks really need a rest  
We love you when you're wide awake,  
But when you sleep, we love you best!  
    *Goodnight now! I love you!*
