(E to D)

Cho:It's a costume party, and everyone is here! **D(05777x)-A(7x7655), D-A-D**
It's a costume party, and everyone is here! **D-A, D-A-D**

You wear a blue dress, you, red sneakers **A-D**
You wear a suit and tie **A-D**
You wear flowers, you wear stripes **A-D**
You put make-up on your eyes! **E(222300)-A-Asus4-A**
Chorus

You wear brown skin, you wear white
Your head is clean and bare
You poked holes through your earlobes
You've got a wart, I bet, somewhere!
Or maybe you dye your hair!?
Chorus

We may be blind, or we wear glasses
We st-stutter when we talk
Sometimes our ears just do not hear
Or we use wheels when we walk!
Chorus

Our disguises could win prizes
Each one's qualified
But the only thing that really matters
Is who we are inside!
Chorus
