

## **THE TOOTH FAIRY, EASTER BUNNY, SANTA AND GOD**

Back when Dad was little, in prehistoric time  
The Tooth Fairy would take his tooth and leave my Dad a dime  
That's ten cents a tooth! I don't know how my Dad survived.  
Now with the cost of living, don't you think it's worth a five?!

There's an old story, almost everyone believes  
About the Tooth Fairy trading money for their teeth  
When a story has some spirit that touches you  
You can hold it in your heart and make it true.

The Easter Bunny leaves an Easter basket by my head  
I pig out on jelly beans when I get out of bed!  
Too many choc'late eggs, and I start to feel sick, an  
Think, the Easter Bunny gets these things from a Chocolate Easter Chicken!

There's an old story, almost everyone believes  
About the Easter baskets that the Easter Bunny leaves  
When a story has some spirit that touches you  
You can hold it in your heart and make it true.

Santa fills my stocking with games and Christmas toys  
It's amazing he's so quiet, he never makes a noise!  
But why live at the North Pole where it's freezing cold all year?  
He could get a place in Malibu, go surfin' with his deer!

There's an old story, almost everyone believes  
About how Santa visits on Christmas Eves  
When a story has some spirit that touches you  
You can hold it in your heart and make it true.

I used to think that God should stop by, just to say "Hello!"  
But then that never happened, so how'm I s'posed to know?  
I guess I know, 'cause when I stop, and take the time to feel  
My life just goes much better, that's how I know God's real

There's an old story, almost everyone believes  
About a God whose love for us never ever leaves  
When a story has some spirit that touches you  
You can hold it in your heart and make it true.
