

## WISH

Wish I could write a song  
Wish I had purple hair  
Wish I was really strong!  
I wish we had clean air!  
I wish I enough money  
To buy stuff I wanna buy  
I wish I had a trampoline,  
I wish that I could fly!

I wish Grandpa didn't smoke.  
I wish people didn't fight!  
Wish I had no bed time!  
We could watch TV all night!  
Wish there were no mosquitoes!  
I wish kids didn't bleed!  
I wish ev'ry one who wanted one  
Had a pizza to eat!  
Chorus

Wish I could save the animals  
I'd save a polar bear!  
I'd keep him in my bathtub  
And I'd brush his hair!  
Wish I could drive Dad's car!  
I could drive you to the zoo!  
Wish I could play guitar.  
I wish our wishes would come true!  
Chorus

I wish God would hear us wishing, up in Heaven where He dwells  
Y'know, somewhere I heard "God, helps those who help themselves"  
'Cause when we wish and wish, and we get no satisfaction  
Then something needs t'change, we gotta take some action!  
So when I wish for something, I take out my mirror  
I can see who needs t'help me, yeah, couldn't be much clearer!  
Cause' sittin' here and wishin', it's a really big distraction!  
'Stead of sittin' here and wishin', let's get up and take some action! C'mon!

Oh-oo! Woo-oo-oo! Oh-oo! Woo-oo-oo!  
Oh-oo! Woo-oo-oo! Oh-oo! Woo-oo-oo!  
Oh-oo! Woo-oo-oo! Oh-oo! Woo-oo-oo!
