

I LOVE MY FAMILY

I love my Mom, she loves to shop
She's not a bunny, but she can hop!
She wiggles her nose and shops for clothes
And she nibbles grass just t'make me laugh!

I love my Dad, sometimes he's cool
He fools around like the kids at school
At dinner he says "Sit up straight!"
"Now ev'rybody, lick your plate!"
(family slurping)

Cho: I love my family
But they don't seem a bit like me
Cause they're as nutty as can be!
Still, ... I love my family!

I love m'Grandma, she sings songs
She taps her feet, she claps along
N'she really loves to play her gong (gong!)
And then she sings the notes all wrong!
(gramma's wrong notes!)

I love m'Grandpa, he tells jokes
He laughs so hard, he almost chokes
And no one laughs, but him and me!
He makes sounds like a chimpanzee!
(grandpa's chimp laugh)

Chorus & Instrumental Chorus

I love my Brother, even though
He never takes me when he goes
He said that I could come along
If I promise not to sing this song!
(kid mumbling song)

I love my Sister, she's a pest
She never lets a subject rest
She loves to talk things through and through
I bet she'd love to talk to you!
(sister's bla-bla's)

Chorus

Cho: I love my family
But I'm afraid! It's what I feared!
It's weird, but ev'ry now and then!
My behavior's just like them!
