

USE IT AGAIN

There's a small kangaroo
Who shops around town
Puts things in her pouch
Then she hops up and down
Sometimes things break
And her pouch is a mess
Does she throw it away?
I bet you can guess! No! She says,

I'll use it again some day.
And I'd have to find another one then
So I'm gonna use this one again, ...
And again and again, and again and again,
And again and again and again!"

Chorus

Instrumental Chorus

She can wash her pouch out!
"When I bounce, it'll dry it!" (And she bounces to dry it!)
It's a little more work
But y'know, we should try it!
Let's all do the same
With the stuff that we use
Write our name on our own
So we know whose is whose!

And again and again, and again and again,
And again and again and again!
