### **Chorus**

**Birds use wings  
To leave the nest  
When it's time to fly  
It's scary but  
They've seen their parents  
Sail through the sky!**

### **Chorus & Instrumental Chorus**

**When grown-ups have  
Both roots and wings  
We share them with our kids  
Let's get ourselves  
In balance then  
We'll all have more to give!**

### **Chorus (2x)**
