Steelhead trout, I'm playin' in the sea
Great big feeling comes to me
Gotta get on home up the creek today
But hey! What's this! - There's a dam in the way!

Raindrop falling from a cloud up high
Headin' home to the ocean, but I can't get by!
Trapped in the mud in a stinky old pool!
There's a dam in way! Hey! That's not cool!

Chorus

If you gotta get home but you can't get back
Then you gotta do something to get on track!
So bye-bye dam! It's time to go!
Bye-bye dam, 'cause ev'rybody knows

Gotta get on home! Can't get over!
Gotta get on home! Can't get under!
