P: Okay kids, ... let's keep movin'!

Chad: What's that little black box you're carrying Peter? A computer?

P: Kinda, ... it's a "Sonical Digital Musical Box". Thought it might come in handy.

Bailey: A sonic, musical, boxical?

P: It's a Sonical Digital Musical Box. I push the button, ... and it plays wonderful music with any song we sing.

Quin: A Soni-cal, Digi-tal, Music-al Box?

P: It's a Sonical Digital Musical Box! Here,

Leon: I wanna push the button!

Quin: Don't shove me!

P: Can't push the button until you can sing this song, ... so I'll push the button! (*BOING!!)
