

I BROUGHT A GORILLA HOME

| | |
|---|-------|
| 1. I went to the zoo today | Em |
| Saw the Zebra and Giraffe | Am |
| The Lion there had lots of hair | Am |
| And the Penguins made me laugh! | Am-Em |
| Saw the Kangaroo hop and the Walrus flop | Em |
| Watched two Wolves share a bone | Am-B7 |
| But I've got a surprise, so close your eyes | B7 |
| 'Cause I brought a Gorilla home! | B7-Em |
| <i>You brought a Gorilla home.</i> | B7-Em |

| | |
|---|-------|
| Ch1: Yeah! I brought a Gorilla home! | Em |
| <i>You brought a Gorilla home</i> | Em |
| Couldn't leave him there! Cause he had no chair | Am |
| So I brought a Gorilla home! | B7-Em |
| <i>You brought a Gorilla home</i> | B7-Em |
| Yeah! | B7 |

2. Well what do you expect!?
Everyone wants to be free!
And a Gorilla deserves respect
Just like you and me!
All the Elephants have to wear leg chains
And the Tigers live behind bars
And none of them have a lawn to lie down on,
Half as nice as ours! So

Ch2: I brought a Gorilla home!
You brought a Gorilla home
Yeah, I brought a Gorilla home!
You brought a Gorilla home
He's been home-schooled, and he's very cool! So,
I brought a Gorilla home!
You brought a Gorilla home
Yeah! ... I did.

3. So what'll we give him for dinner?
Bananas are not enough
That's all he gets at the zoo I think
All those animals have it rough!
He's a family man and he's got a plan!
When y'meet him, he'll explain
He's gonna run for office,
He wants me to run his campaign, so ...

Ch3. I brought a Gorilla home!
You brought a Gorilla home

Yeah, I brought a Gorilla home!

You brought a Gorilla home

He can wash the car, and he plays guitar! So,

I brought a Gorilla home!

You brought a Gorilla home

That's right! He's good too!

Instrumental Verse & Break

4. The apple pies he bakes are great!

And he's very, very strong

He doesn't snore or pick his nose!

He never never does anything wrong

He loves t'blow big bubbles

He's no trouble in any way

An' he'll sleep in the tub when his family comes

I told 'em we had room to stay, so, ...

Ch4: I brought some Gorillas home

You brought some Gorillas home

Yeah, I brought some Gorillas home!

You brought some Gorillas home

They can sweep the floors and do my chores, so

I brought some Gorillas home!

You brought some Gorillas home

It's a fam'ly affair, we all can share!

You brought some Gorillas home. Am, B7-Em

Hey! Who you calling on the phone?

You brought some Gorillas home

No! Y'can't send 'em back, they just unpacked!

You brought some Gorillas home

C'mon! It'll be fun for everyone!

You brought some Gorillas home

Look, they won't use your computer, I promise!

You brought some Gorillas home

(Spoken:) Well, maybe just your laptop!
