

DOIN' IT FOR YOU

(w. D-crosssharp)
[letter=string/#=fret]

I treat you politely Baby,
And so you can't complain
I hold the door when you go out
An' when you go in again
The only time I interrupt
Is when you talk too slow
An' I been teachin' you the questions
To the answers that I know

Cho: So why, why, why,
You tryin' t'rearrange me?
Why, why, why,
You're always tryin' t'change me?
Why, why, why,
Should you want somethin' new,
When I'm only doin' it for you!

I let you make my breakfast, tho'
You always burn my eggs
I take you into public places
With that hair upon your legs
An' when my friends come over
I never make you leave
An' I helped you with them dishes
For that dinner Christmas eve!

Chorus

I only come to bed at night
To satisfy your need
I'm good an' fast, I know you like
To stay awake and read
You say I ain't kind t'you
But when we went to lunch
You spilled your soup all over me
An' I only hit you once!

Chorus

I'm only doin' it to you!
