The night is full of stars	Em
My heart is full of love	G-Gmj7-G6-Gmj7
But romance starts to fade	Em
When you grab and grope and tug!	C-D
Like Boy Scouts on parade,	Em
Like the Army Marching Band	B7
Your fingers think they're crusaders	C-G
Heading for the Holy Land! Oh, ...	C-D-G-D7

Chorus (first half same)
As you gaze deeply into my eyes
Your fingers keep creeping up on my thighs!
No, don't put your hand in my pants
Just 'cause we're in love!

I just want to snuggle
You just want to play
Your one hand's on my zipper
And your other hand is, HEY!!
I say "No!" but you don't stop
You feel "IN LOVE!" you say?
Well I feel that you're not listening
So feel your own, okay!!? and,

Cho: Don't put your hand in my pants
Just 'cause we're in love
If you've got icy fingers
Buy yourself a glove!
When I asked, if y'knew how I felt
I meant in my heart, not under my belt!
No, don't put your hand in my pants
Just 'cause we're in love!

Birds are singing, bells are ringing	C-Cm
It must be Spring, you're after my thing!	G-A-D7
No! Don't put your hand in my pants	G(355433)-Gmj7(3x443x)-G6(3x243x)-Gmj7
Just 'cause we're in love!!	Am7-D7-C-Cm-G
