BACK-UP!

One day hikin' in the hills	E-(A-E)
Practicin' my scoutin' skills	E-(A-E)
Whoa! This big snake crossed my track	E-(A-E)
So I said t'myself, "Hey Self, ... get back!"	E-(A-E)

Cho: Back-up! (Back-up!) Back-up! (Back-up!)	E-(A-E)/ E(322100)-E-(A-E)
You won't crack-up if you back-up!	D9(200230)-A(005050/004030/002020)

Sometimes Dad drives much too fast
And I'm afraid that we might crash
So I say, "Dad, now please don't frown
When I'm scared, I gotta speak-up, SLOW DOWN!!"
Chorus

My Uncle Dave, he sings to me
And sometimes I sit on his knee
But then he starts to pet my hair
So I say, "Would you please STOP petting my hair?
I am NOT a dog or a cat or a fluffy little bunny!
And even though I LIKE you very much,
I HATE IT WHEN YOU DO THAT!!!
Thank you for listening.
Chorus

So if by accident you find	A
You get too close, you can change your mind	E
Or if somebody gets too close to you	A
Just say, "Back-up!" that's the thing to do!	F#-B7

Chorus/Instumental

When someone's actin' all syrupy sweet
They sit so close you can smell their feet
And they ooze up t'you like a greasy cat
Y'don't have t'act nice, when it feels like that!

Chorus (2x)

Ad libs (If it's not your choice, then use your voice!) - (Save yourself some flack, and just get back!)

TEEN VERSE:

Once when I was on a date
M'date said "It's too hard t'wait!"
I felt that soft tongue in my ear
So I said real loud so we both could hear,
