

STRANGERS

If a great big ugly guy walks by		F#m-E
While you are playing in your yard		F#m-E
And he sez "Hey Little Kid! You want a		F#m-E
Stick of gum or a cho'late bar?		F#m-E
Would you take it from him?	<i>NOOO!</i>	G#
What if it's your favorite?	<i>NOOO!</i>	A
What if he has ice cream?	<i>NOOO!</i>	A#
And we know why!		B7

Cho: Cause he's a stranger! Someone we don't know!	E-F#m-B7
He's a stranger, he might be nice, but even so	E-F#m-B7
We follow safe advice	G#-C#m
So t'strangers we say,	<i>NOOO!</i> A-D7, C#7

If a pretty lady's at your door
She rings your bell, you're home alone
And she says, "Hey Little Kid! I'm lost!
Please let me in to use your phone!
Would you let her in? *NOOO!*
What if she is smiling? *NOOO!*
What if she looks like a movie star? *NOOO!*
What if she says she'd been lost for forty-two days
and hasn't had anything to eat in three weeks
and she needs a great lookin' little kid like you
to let her in right now to use the phone
Would you do it? *NOOO!*
And we know why!

Cause she's a stranger! Someone we don't know!
She's a stranger, she might be nice, but even so
We follow safe advice
So t'strangers we say, *NOOO!*

Now LET me get this straight, a stranger's	F#m-E
ANYONE I don't know, so I	F#m-E
SHOULDN'T talk to strangers or go	F#m-E
OFF alone with someone who I	F#m-E
DON'T know because strangers are not	G#m-F
ALWAYS ugly looking sometimes	G#m-F
THEY act nice and friendly but they're	G#m-F
STILL a stranger even if I	F#m-E
THINK I might have seen them I should	F#m-E
NEVER let them get too close	F#m-E
and we know why!	B7

Cause they're a stranger! Someone we don't know!
They're a stranger, they might be nice, and even so
We follow safe advice,
So t'strangers we say *NOOO!*
To strangers we say *NOOO!*
To strangers we say *NOOO!*
