

## **LIFELINE**

You carried me, home in your arms  
You loved me so much, and you kept me from harm  
You washed me and fed me, the years how they flew  
And now you need my help, and I'll care for you!

G(320003)-C(302013)-D(5x4035), G-C-D  
G-C-D, G-C-D  
G-C-D, G-C-D  
G-C-D, G-C-D  
G-C-D, C-D

Cho: There's a lifeline that ties me to you  
Life rolls like a wheel through whatever we do  
Through all of the hard times and anger we feel  
The love that we have, well it helps us to heal,  
Love's a lifeline that pulls us all through!

Am(002210-002200-002210)-C-G(C-G)  
Am-C-G(C-G)  
G-D9(200230)-C-G(C-G)  
G-D9-Am-D  
D-D7-G-C-D, G-C-D

You've no where to go, and you don't like to lean  
At the old people's home, they're packed in like sardines,  
So the baby can sleep in the crib one more year  
Put the kids in together, there's room for you here!

Cho: There's a lifeline that ties me to you  
Overnight power runs out the holes in our shoes  
When the looking glass flips, there's no wrong or right  
Do the best we can and hold hands in the fight  
Love's a lifeline that pulls us all through!  
Instrumental Chorus

Most of the time now, you're clear as a bell  
But the body you're using's not working so well  
And I know we get crazy when our patience is gone  
Hey, ain't it amazing, how we hold on,

Cho: To that lifeline that ties me to you  
Life rolls like a wheel through whatever we do  
Through all of the hard times and anger we feel  
The love that we have, well it helps us to heal  
Love's a lifeline that pulls us all through!  
Love's a lifeline that pulls us all,  
Through!

Am-C-D  
G-C-D, G-C-D, C-D-G
