

## **MY LITTLE CLOCK**

<b>You've got a big clock</b>	<b>C-G</b>
<b>I've got a little clock too</b>	<b>F-C</b>
<b>Your clock's for your time</b>	<b>C-G</b>
<b>Your big clock pushes you</b>	<b>F-G-C</b>
<b>When you're in a hurry</b>	
<b>My little clock's pushed aside</b>	
<b>Y'make me use your clock</b>	
<b>Y'don't care about my clock's size</b>	

<b>When your clock is ticking</b>	<b>F</b>
<b>Then everything changes</b>	<b>C</b>
<b>You haven't got time to explain</b>	<b>F-G-C</b>
<b>I have to use your time</b>	<b>F</b>
<b>You push me and pull me</b>	<b>Am</b>
<b>And it never enters your brain, that</b>	<b>D-G-C</b>

**You've got a big clock**  
**I've got a little clock too**  
**My clock's for my time**  
**Your clock's time is up to you**  
**Your clock's important**  
**It's bigger, it makes more noise**  
**But my clock's important**  
**Though you think it's just a toy**

**You're only trying**  
**To help me feel better**  
**At least that's what you say**  
**But I feel angry**  
**I don't feel better**  
**When m'little clock's treated this way, ohhh,**

**You've got a big clock**  
**I've got a little clock too**  
**I listen to your clock**  
**Please listen to m'little clock too**

<b>I've only got a little time</b>	<b>C-G</b>
<b>Do you have a little time?</b>	<b>F</b>
<b>A little time on your big clock?</b>	<b>G</b>
<b>That's all that I want from you.</b>	<b>G-C</b>
