

HYPERACTIVE

c-2

Early in the morning when I'm startin' out	A-D	Bb-Eb
And I'm lookin' in my cereal bowl	E7-A	F7-Bb
I gotta put a lot of sugar on t'make it sweet	A-D	Bb-Eb
Cause my body's gettin' ready to roll!	E7-A	F7-Bb

Cho: Hyperactive! I'm hyperactive!	A-B	Bb-C
I boogie, boogie all the day through!	D-A	Eb-Bb
Hyperactive! I'm hyperactive!	A-B	Bb-C
Sugar's good for me and you!	D-A	Eb-Bb

Hyperactive! I'm hyperactive!
It's a fundamental dental rule!
Hyperactive! I'm hyperactive!
Sugar's good for me and you!

When I'm standin' at the counter at the grocery store
And my eyes are poppin' outta my head
At the bubble gum and choc'late and a whole lot more
I remember what the T.V. said!

Chorus

Hyperactive! I'm hyperactive!
Some vitamins mighta been cool!
Hyperactive! I'm hyperactive
Sugar's good for me and you!

Well I ate my sugar stash and now I'm startin' to crash
And I'm grouchy but I can't go t'sleep
So I drink a couple colas, but they give me gas
And when I try t'start countin' the sheep, . . they're

Hyperactive! Hyperactive!
They boogie, boogie all night through!
Hyperactive! Hyperactive!
Hyperactive like me and you!

Hyperactive! We're hyperactive!
We boogie, boogie all the day through!
Hyperactive! We're hyperactive!
Sugar's good for me and you!
Yeah! Sugar's good for me and you!
Sugar's good for me and yooouu!
