

## **IF I WAS IN CHARGE**

If I was in charge, there'd be a few changes  
My room would be clean as can be  
But I wouldn't clean it if I was in charge  
My father would offer to clean it for me!!  
No, I wouldn't clean it if I was in charge  
My father would clean it for me!!

If I was in charge there's be a few changes  
Kids wouldn't eat food that we hate!  
We'd all eat desserts if I was in charge  
And it would be great if y'licked off your plate!  
We'd all eat desserts if I was in charge  
And it would be great if y'licked off your plate!

If I was in charge there'd be a few changes  
My brother would do what I said!  
He'd stay out of my stuff if I was in charge,  
Or I'd never let him get out of his bed!  
He'd stay out of my stuff if I was in charge,  
Or I'd have to pour honey all over his head!

If I was in charge there'd be a few changes  
I'd make teachers have recess all day!  
They'd chew gum and blow bubbles if I was in charge  
N'they'd better blow big ones if they want an 'A'!  
They'd chew gum and blow bubbles if I was in charge  
N'they'd better blow big ones if they want an 'A'!

If I was in charge there'd be a few changes  
I'd never let anyone fight!  
If you hit somebody and I was in charge  
I'd slug you, to teach you that hitting's not right!  
If you hit somebody and I was in charge  
I'd slug you, to teach you that hitting's not right!  
(That's awful! What's happening to me!?!?)

If I was in charge, I might start to change  
And start acting like I'm a big deal  
Maybe it's best if NO ONE'S in charge  
N'we just pay attention t'how others feel!  
Yeah, ... maybe it's best if NO ONE'S in charge  
N'we just pay attention to how other folks feel!
