

In My Bed

words and music by Priscilla Ahn

Nighttime is here it's time for bed
Time to go and rest and my head
Time to make dreams come true I've read
Only in my bed

Nighttime is here I see the moon
Big and round, a white balloon
Maybe I'll get to go there soon
And sing a simple tune

La la la...

Nighttime is here it's time for bed
Time to close my eyes and rest
Morning will come but not just yet
For now I'll dream in my bed

La la la...
