

Desert Lullaby  
words and music by Priscilla Ahn

Go to sleep  
It's late there, almost early  
You need sweet dreams  
Before the day begins

Close your eyes  
Welcome the night sky  
Just breathe  
The day is dreams away

Oo...

Go to sleep  
I'll stay here and I won't leave  
And when day begins  
We'll have our dreams
