Verse

I'm going down a slide. Oooowee!

What a ride! What a ride!

There is nothing better than a ride on a slide.

Ride, ride, ride!

Slide, slide, slide!

Chorus

I go up, up, up. (Kids: up, up, up)

You go down, down, down.

(down, down, down)

I go up, up, up. (up, up, up)

You go down, down, down, down, down.

To the ground. To the ground.

Let's go round again to the ground.

To the ground. To the ground.

Let's go round again to the ground.

Let's go!
