Oo, oo, oo, oo, oo, oo, (Monkey noises)
There's a monkey to my left,
And a monkey to my right.
That's how I like to sleep at night.
There's a monkey by my head,
And a monkey by my feet.
They're always very hungry and ready to eat.
I gave them grapes.
They don't like grapes.
Don't give grapes to apes.
I gave them cheese.
They don't like cheese.
I think I have what they need. Let's spell it!

Chorus (X2)

Here's a B. (B)
An A. (A)
I have N, (N)
And I have A again. (A)
Another N. (N)
One more A. (A)
And an S at the end: BANANAS!
Bananas, Bananas
Monkeys like bananas.
Bananas, Bananas
There is nothing better than bananas.
(Monkey noises)
