Chorus

Stop at the door. It's time.
It's time to stand in line.
Stop at the door. It's time.
It's time to stand in line.
With a friend in front. With a friend in front.
With a friend in back. With a friend in back.

Verse

I might be first. I might be last,
Or in the middle, but I won't walk fast.

Chorus

Open the door. It's time.
To walk, walk, walk, walk in line.
Open the door. It's time.
To walk, walk, walk, walk in line.
Walk slowly. Walk slowly.
With my friends near me. With my friends near me.

Verse

I'll stay in line. Happy all the time.
People all around me, but I don't mind.

Chorus

Walk down the hall. It's time.
To walk, walk, walk, walk in line.
Walk down the hall. It's time.
To walk, walk, walk, walk in line.
Walk slowly. Walk slowly.
With my friend near me. With my friend near me.

Verse

I'll stay in line. Happy all the time.
People all around me, but I don't mind.

Chorus

Stop at the door. It's time.
It's time to stand in line.
Stop at the door. It's time.
It's time to stand in line.
Think it over. Think it over.
Think it over. Think it over.!
