The wheels are movin'. Oo wheels
The wheels are movin' down the road. (repeat)

Car wheels (your turn) car wheels
Bus wheels (your turn) bus wheels
Bike wheels (your turn) bike wheels
But one wheel broke right on the spoke
Oh no!

Oo whee (your turn) oo whee
Oo wa wa (your turn) oo wa wa
Oo why (your turn) oo why
Wheels, wheels, wheels!

The wheels are movin'. Oo wheels
The wheels are movin' down the road. (repeat)

One wheel (your turn) one wheel
Two wheels (your turn) two wheels
Three wheels (your turn) three wheels
But one wheel broke, oh no, right on the spoke.
Oh no!

Oo whee (your turn) oo whee
Oo wa wa (your turn) oo wa wa
Oo why (your turn) oo why
Wheels, wheels, wheels!

The wheels are movin'. Oo wheels
The wheels are movin' down the road. (repeat)

Wheels, wheels, wheels
Wheels, wheels, wheels
Wheels, wheels, wheels
