"Nigh night time! It's time to go to bed!"

"I don't want to go to bed!"

"Oh, I know, but it's getting late, and you need to get some sleep!"

"OK"

Nigh, nigh, night. (Your turn) Nigh, nigh, night.

All right (Your turn) All right.

It's time for bed you sleepy head. No, no nigh night, no, no, no!

Brush your teeth: ch, ch, ch, ch. No, no nigh night, no, no, no!

No, no nigh night, no, no, no. Yes, yes, yes. Time to go.

No, no nigh night, no, no, no. No, no, no! Yes, yes. Time to go.

Nigh night, nigh night to you.

Nigh night, nigh night to you.

Nigh night, nigh night to you.

Here's your blankie and pillow, too. No, no nigh night, no, no, no!

Hug you bunches. I love you, too. No, no nigh night, no, no, no!

No, no nigh night, no, no, no. Yes, yes, yes. Time to go.

No, no nigh night, no, no, no. No, no, no! Yes, yes. Time to go.

Nigh night, nigh night to you.

Nigh night, nigh night to you. (repeat)
