Let's go on a bus, a boat, and a bike! (Yeah!) I'm going on a bus. (your turn) bus  
Bus, bus, bus, bus  
Big bus, big bus  
Big bus, ride with us.

### **Chorus**

Bye bye. The wheels are rolling.  
Bye bye. Time to go.  
Beep, beep, beep, beep goes the bus. Bump, bump, bump, bump ride with us

Now let's go on a boat. (A boat?) Yes, a boat. I'm going on a boat. (your turn) boat.  
Boat, boat, boat, boat.  
Big boat, big boat.  
Big boat, watch it float.

### **Chorus**

Bye bye. The motor's running.  
Bye bye. Time to go.  
Putt, putt, putt, putt goes the boat.  
Bump, bump, bump, bump. Watch it float.

Let's go on a bike. (A bike?) Yes, a bike. (That's great!)  
I'm going on a bike (your turn) bike.  
Bike bike, bike, bike.  
Big bike, big bike  
Big bike. What a hike.

### **Chorus**

Bye bye. The wheels are turning.  
Bye bye. Time to go.  
Up, up, up, up goes the bike.  
Bump, bump, bump, bump. That's what I like.

Now let's practice those words a little bit more.  
Let me hear you now. OK? (ok)  
Bus (your turn) bus; Bus (your turn) bus  
Boat (your turn) boat; Boat (your turn) boat  
Bike (your turn) bike; Bike (your turn) bike

Go on a bus. Go on a boat.  
Go on a bike. That's what I like.

Now we're going to practice those words one more time.  
Let me hear all of you. OK? (ok)  
Bus (your turn) bus; Bus (your turn) bus  
Boat (your turn) boat; Boat (your turn) boat  
Bike (your turn) bike; Bike (your turn) bike  
Go on a bus. Go on a boat. Go on a bike. That's what I like.

Oh! Don't you just love to go on a bus, and a boat, and a bike? (Yeah!) Well  
thanks for going with me, friends. We'll see you later. Bye bye! (bye bye)
