Say these words and find the picture, too.
Talk and look is what you do.

Puppy (your turn) puppy. Bee (your turn) bee
Ball (your turn) ball
But that's not all. We need to find them all.

My puppy (my puppy). My bee (my bee)
My ball (my ball)
But that's not all. No, that's not all.

Duck (your turn) duck. Star (your turn) star
Hat (your turn) hat
How about that? But where is that?

One duck? (one duck). One star? (one star)
One hat? (one hat)
Well, how about that? How about that?

Apple (your turn) apple. Plane (your turn) plane
Tree (your turn) tree
Yessiree! Can you find them for me?

My apple (my apple). My plane (my plane)
My tree (my tree)
Yessiree! Yessiree!

Boat (your turn) boat. Train (your turn) train
Shoe (your turn) shoe
Good for you. Now find them, too.

Bye boat (bye boat). Bye train (bye train)
Bye shoe (bye shoe)
Now, that will do. Yes, that will do.

Good talking everyone. Good looking, too.
I'm so proud of all of you. (Thank you.)
